Workshops Descriptions

The following workshops were designed by various departments in support of semester start-up initiatives. While all staff are welcome to attend, some workshops are designed for specific target audiences (see final column). The time and location for each work is provided in the previous calendars.

Topic	Description	Facilitators	Target Audience
Blackboard Essentials	This introductory session on Blackboard is desiged to support new users by providing an overview of basic functionalities and include efficiency tips in setting up a course.	• Carolle Boudreau (eLearning Specialist) • Andrea Seepersad (Mgr, Multimedia Design)	Faculty Support Staff Admin
Rubrics	This workshop introduces participants to the structure, purposes, and uses of rubrics. Emphasis is placed on using rubrics to ensure the validity, reliability and fairness of evaluations. Strategies for integrating rubrics with classroom instruction to create opportunities for effective formative feedback are also explored.	• Jamie Edwards (Curriculum Specialist)	Faculty
Office 365 – Forms & SWAY	At the end of this session, participants will be able to identify the basic features in FORMS/SWAY, design a web presentation using SWAY that meets accessibility requirements, and create a simple survey using the FORMS application.	• Carolle Boudreau (eLearning Specialist) • Andrea Seepersad (Mgr, Multimedia Design) • André Léger (Associate Dean, SCTL)	Faculty Support Staff Admin
#ShopTalkSLC	This faculty-focused agenda will include: welcome and instructions, discussion of best practices/ideas/advice, and a sharing activity where we discuss specific take-aways.	• Jody Souka-Marlo (Professor & Faculty Coach) • Julie Smith (Professor & Faculty Coach) • Denise Nielson (Faculty) • Carolyn Reed (Faculty)	Faculty
Indian Culture & Intercultural Awareness	Topics of the workshop will include: • Indian Culture – an excellent opportunity to learn more about the culture of India so that we can better understand and support our students • Intercultural awareness, teaching and learning in an intercultural classroom/campus • Helpful tools and resources	• Richard Webster (Internationalization Lead) • Ining Chao (Associate Dean, International) • César Balbuena (Director, International Recruiting & Student Support)	Faculty Support Staff Admin

Culturally Inclusive Teaching	Are you supporting students with diverse cultural backgrounds? Have you explored different teaching strategies to better respond to students' needs? Have you tried to make the curriculum more relevant to students' future career in the globalized world? This workshop will build on your understanding of cultural differences in education, and examine the principles of culturally inclusive teaching. Through case studies, we invite you to examine your practices, enhance your intercultural competence and transform your curriculum to reap the benefits of diversity in our classroom. Topics include: • Intercultural foundations for education • Cultural adaption and its impact on students and educators • Culturally inclusive teaching strategies	• Richard Webster (Internationalization Lead) • Ining Chao (Associate Dean, International)	Faculty
Inclusive Group Work	This interactive workshop will highlight strategies for integrating group work into classroom activities and assessments. In particular, the session will focus on creating an inclusive environment that aims to overcome the struggles students often experience when working in groups. Participants will identify practices for establishing an inclusive environment, designing assessments that utilize diverse skills and knowledge, facilitating and assessing group work, and coaching students through conflict.	• Clarke Mathany (Mgr, Curriculum Development) • André Léger (Associate Dean, SCTL) • Ekta Singh (Inclusivity & Intercultural Specialist)	Faculty
Collaborative EdTech	Create engaging and collaborative working environments using Office 365. This session is designed for all staff and serves an an introduction to the new TEAMS application which promotes collaborative group work.	• Carolle Boudreau (eLearning Specialist) • Andrea Seepersad (Mgr, Multimedia Design)	Faculty Support Staff Admin
New FT Faculty Development Program (TriCampus)	This two-day session will kickstart the New FT Facutly Development Program by exploring various teaching/learning topics with special guest speakers. This program is mandatory for all new FT Faculty.	• Gina Kerr (Professor & Faculty Coach) • Guest Speakers	New Full-time Faculty Hires
PT Faculty Orientation (Brockville)	This evening session is designed for new and returning PT faculty who are interested in learning more about the various services that will support them in their teaching. Patricipants will be provided with important updates and are encouraged to bring their own questions to the open session.	• Guest Speakers (various departments)	Any new or returning PT Faculty
